## THE COMPANY

Festindia Clothing is one of the leading manufacturer and suppliers of complete uniform package for different domain. It is a Mumbai based Company which deals in top of the line uniform attire and services in India. We make extraordinary designs by blending right concepts, color, methods and fabrics which is later metamorphosed to extra ordinary uniforms. Festindia Clothing is specialized in different areas like Corporate, Hospitals, Hotels and Restaurants, Industrial Work Wear, Sports, Fashion etc. Product Quality has always been the pride and big selling point. We have large team of skilled Professionals from reputed organisation like NIFT covering various disciplines (Designs, Product Development, Quality Control etc.) No doubt we have the Best After Sales Service team in the territory.

## Our Vision

Our Goal is to make Beautiful Uniforms reflecting the success of our Clients.

## Our Mission

Our goal is to become the world's leading manufacturer of uniforms and accessories. Our constant goal is to establish long-term relationships with our customers, staff, and suppliers based on trust and commitment to quality. Our innovative spirit, desire to learn along with a strong focus on supply chain management allows us to stay true to our most significant objective – to continually exceed customer expectations.
